

The Young voices choir had the most amazing time and represented St Peter's brilliantly- an absolute credit! They danced, sang and cheered alongside the other 8,800 children at the O2! The 'Wicked Medley' was a firm favourite as was 'Power in me'. We 'discoed', 'hip-hopped' and 'sea shantied' too. An amazing day

School dates

Newly added items or any changes are highlighted in yellow

	January
30th - 2.45pm	Olive (Miss Bolton) class assembly
	February
6 th - 2.45pm	Pine (Mr Robertson) class assembly

26th	Key Stage 1 school trip
27th	Science Day
	March
5th	World Book Day
6 th - 2.45pm	Cherry (Mrs Raine) class assembly

GoGlobal.

Go Global recently took part in the RSPB's Big Schools' Birdwatch, a nationwide citizen science project involving schools across the UK. Wrapped up warm, we spent time outdoors enjoying nature while observing and recording the birds around us. The most common birds we spotted were gulls, but we were pleased to see a wide range of different species too. We will be submitting our findings to the RSPB, where the data helps scientists understand bird populations and changes in wildlife over time. Taking part in this research is important as it supports conservation efforts and helps protect birds and their habitats for the future.

FOSP update

Last term was a fantastic one for FOSP and none of it would have been possible without your support. We raised over £15,000, donated nearly £18,000 to the school, and spent £610 helping families through our Helping Out Fund.

The Helping Out Fund

The Helping Out Fund is there for families who are finding things tough, whatever the reason.

It can help with school-related costs such as uniform, shoes, trips, swimming lessons, or even gas and electricity bills. We know that when things feel more settled at home, children are happier and better able to focus at school.

Everything is completely confidential. All requests go through the headteacher, and FOSP never knows who has applied. If you feel the fund could help you, please speak to Miss Wilding in confidence.

Please don't hesitate to use it. Unexpected costs can be stressful, especially when letters come home asking for payments you were not planning for. This fund exists to help ease that worry.

The 150 Club

The Helping Out Fund is funded by the 150 Club. If you would like to contribute towards it, you can join the 150 Club and simply pay £3 a month to buy a number between 1 and 150. Each month, two numbers are randomly drawn, with prizes of £50 for first place and £25 for second. The December draw is extra special, with prizes of £300 and £150! We still have numbers available, so please get in touch if you want to be part of it and support our school community: ptafosp@gmail.com.

Lego club for KS2?

We are looking to see if there would be interest in starting a lunchtime lego club for KS2. Lego club is very popular in KS1, and many of the children who used to attend would love the chance to carry it on now they are older. This would have a rota so it wouldn't be a weekly commitment!

If this is something your child would enjoy, or if you might be able to help in any way, please let us know. It would be great to see if we can get this up and running. Please get in touch with us at ptafosp@gmail.com.

Next meeting

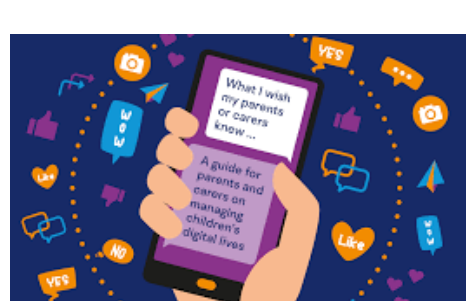

This term is a quieter one for events, but we are already planning ahead. Our next meeting is on Wednesday 28th January at 7.30pm in the White Hart boardroom. Everyone is welcome, whether you have ideas or just want to listen in!

The agenda can be found on our website: [Lego club for KS2?](#)

PE Award

Last term, Mr Green was delighted to present two special awards in PE. Both recipients showed great determination, enthusiasm, and a positive attitude throughout the term. We are incredibly proud of their hard work and commitment—well done!

The Children's Commissioner has published ***What I Wish My Parents or Carers Knew...***, a clear, practical guide to help families support children with their digital lives. It includes advice on setting boundaries, managing online habits, and building open conversations.

PARENTS EVENING

Parent Consultation booking slots will be available soon, so please keep a lookout for the notification. These meetings are an important opportunity to discuss your child's progress, so we recommend booking promptly once slots open.
