

# Mulberry News

We hope you all had a lovely Easter break and enjoyed time with your families and friends!

## Our topics this term will be:

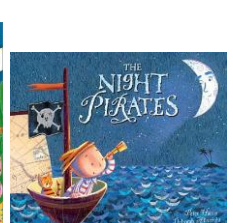

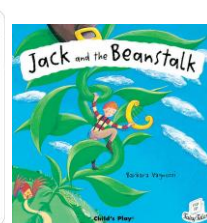

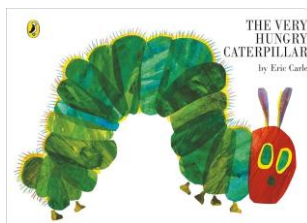

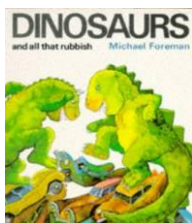

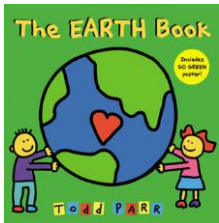

### Summer 1 - 'Our Wonderful World'

We will begin by learning about how Christians believe God created the world and the importance of looking after our planet. On 'Earth' day we will learn how we have the power to make a difference to our planet. We will develop our observational and enquiry skills and learn about the lifecycles of plants and animals. We will plant our own beans and seeds and watch them grow!

### Summer 2 - 'Water'

Following, our school trip to Mersea beach, we will learn about the seaside. We will look at information books to find out about sea creatures and create our own fact page. Towards the end of term, we will become 'Pirates and Mermaids' and create our own treasure maps and characters. We will also have a pirate/mermaid themed day.

## Some stories we will be using:

## PE:

Mulberry class will have PE on Tuesdays (Summer 1) and Friday.

During the Summer term, we will be preparing the children for moving into Year 1.

Later in the term, we will visit our new classes and teacher.

Please encourage children to become more independent and organised, so they are ready for next year!

If you need to speak to someone, please speak to any member of EYFS team – Face to face, on Seesaw email or call. We are here to help!  
Thank you.
