

# Anti-Bullying Policy

## St Peter's CEVC Primary School

### Our Christian Vision

As part of a church school family that grows together in compassion and kindness, we aspire to be the best that we can be.

We flourish through the connections and relationships we nurture, guided by our Christian values.

Our uniqueness is embraced; our faith and beliefs guide us to be courageous enough to stand up for what is right; and bold enough to evoke change in our world, just as Jesus did.

*As James 2:18 reminds us, 'I will show you my faith by my actions'*

## Introduction

At St Peter's, we are committed to providing a safe, caring and supportive environment in which every child can flourish. Bullying of any kind is unacceptable and will not be tolerated. All children have the right to feel safe, respected, valued and free from harm.

This policy aligns with:

- *Keeping Children Safe in Education* (DfE, 2025)
- *Preventing and Tackling Bullying* (DfE, 2017)
- *Behaviour in Schools Guidance*
- *Sexual Violence and Sexual Harassment Between Children* (DfE)
- *The Education and Inspections Act* (2006)
- *The Equality Act* (2010)
- The school's Behaviour & Relationships Policy
- Our PSHE and wellbeing curriculum: My Happy Mind

We recognise our duty to safeguard and promote the welfare of all pupils, including those vulnerable to bullying, discrimination, isolation or emotional harm.

## 2. School Ethos and Approach

Our Anti-Bullying practice is rooted in:

### Trauma Perceptive Practice (TPP)

We emphasise:

- Hope
- Connection and belonging

These values guide all responses to behaviour and embed a relational, emotionally-attuned culture.

### My Happy Mind PSHE Programme

This programme builds:

- Emotional regulation (Meet Your Brain)

- Self-esteem and identity (Celebrate)
- Gratitude and positivity (Appreciate)
- Healthy relationships and empathy (Relate)
- Resilience and goal-setting (Engage)

These modules underpin our preventative bullying work and strengthen pupil wellbeing and relationships.

### **3. Definition of Bullying**

Bullying is:

- Repeated over time
- Difficult for the victim to defend themselves

Bullying is not:

- Normal conflict or fallouts
  - Disagreements between equals
  - Single incidents of unkindness
- However, repeated relational conflict may become bullying if patterns emerge.
