### School Statement on Spirituality

To talk about spirituality is, essentially, to talk about something which is beyond words. To make conversations about spirituality more accessible to every member of our school community, St Peter's CE Primary School has developed this policy.

This language of spirituality begins from a Christian understanding that everyone is a valued creation, individually and uniquely made by God, like pots made by a potter (Isaiah 64:8). Yet, in life things happen that impact on the physical 'pot' of life and create cracks that provide a glimpse of something 'beyond' the tangible. Christians would view this as an opportunity to relate to the Divine Creator God.

Cracks may be caused when something so good and breath-taking happens that the pot expands and cracks – the **wows** of life.

Cracks may happen when something challenging happens and threatens the comfort of everyday – the **ows** of life.

Cracks can also happen in the stillness and ordinariness of everyday – the **nows** of life, when a moment of stillness, a pause or prayer creates a crack in the normal, physical everyday.

In these special moments there is a spiritual opportunity. Kintsugi, the Japanese art of mending broken ceramics with golden joinery or glue, creates something that has been broken into something even more beautiful. Using this metaphor, the **wows**, **ows** and **nows** of life offer the possibility of cracks that are filled with gold and make the pot even more beautiful. The gold in the cracks reflect a little of the wonder of spirituality.

St Peter's CE Primary uses this language and the concepts of **wows**, **ows** and **nows**. These are used to explore relationships with:

- ourselves
- others
- the wider natural world and beyond
- and offering the invitation to relate to God

### St Peter's Christian Vision

As part of a church school family that grows together in compassion and kindness, we aspire to be the best that we can be.

We flourish through the connections and relationships we nurture, guided by our Christian values.

Our uniqueness is embraced; our faith and beliefs guide us to be courageous enough to stand up for what is right; and bold enough to evoke change in our world, just as Jesus did.

As James 2:18 reminds us, *'I will show you my faith by my actions'*

At St Peter's, we believe we can deepen our sense of spirituality through relationships. We commit to building the trust our pupils have in their adults to discuss their thoughts and feelings on the bigger questions in life and having the confidence to know, that not all of these questions have an answer. We are committed to the whole child here and helping our pupils develop an understand the uniqueness of the human experience.

### Organisation

The spiritual growth of pupils is not only dependent on learning in RE, opportunities for enhancing the spiritual well-being of learners are developed in every aspect of our school life.

We support the whole school community to share this responsibility and to develop the shared language of spirituality. Opportunities are available for all to develop spiritually in our supportive and nurturing school inspired by our vision and lived out through our Christian values. We several physical spaces in school, where the children have a focus for their moments of spiritual reflection , in addition to the classroom and hall for worship: the field tent (during Summer and early Autumn), the wooded reflection zone (under construction) and the display area in the lobby.

We have identified specific areas which contribute to the spiritual growth of pupils: collective worship, the whole curriculum, including RE and the general ethos of the school within daily life.

### [Spirituality in Collective Worship](#)

Collective Worship is the beating heart of St Peter's. It provides the opportunity for our school community to share experiences, ideas and understanding. It is the context in which the language of spirituality, which we use as a school, is regularly and explicitly shared.

Collective Worship provides the opportunity for pupils to become aware of the importance of reflection and how our positive and negative experiences can be formative. It also provides a real sense of being present (**now** moments) which are often linked to invitations to pray.

Through daily Collective Worship, pupils are offered a space and a place for hearing the Christian story. They are offered an understanding of worship by being invited to participate in, or observe, Christian spiritual practices such as: prayer, reading and reflection on the Bible and liturgy and are introduced to different musical traditions.

Opportunities to reflect on the **wows** of life such as beauty and joy of the world are given, as well as time to reflect and empathise with the **ow** moments of disappointment or pain. Pupils are given time to consider their responsibilities to others and to grow in love and service. Time is given for celebration, both for the accomplishments of school members and to mark seasonal Christian festivals and celebrations in the calendars of other faiths. In this way pupils are offered time to be able to contemplate and develop spiritually. Collective Worship in St Peter's is invitational, inspirational and inclusive.

### [Spirituality in Religious Education](#)

The Church of England's *Statement of Entitlement* outlines the aims and expectations for Religious Education in Church of England Schools and guides this school's approach to RE and spirituality.

Learning activities in RE provide for the needs of all pupils, offering a safe space to explore their own religious, spiritual and/or philosophical ways of seeing, living and thinking, believing and belonging. They provide opportunities to engage in meaningful and informed dialogue with those of all religions and worldviews, linking these to pupils' ideas of spirituality and the language of **wows**, **ows** and **nows** where appropriate.

For further details, please refer to St Peter's Religious Education Policy and The Church of England's Statement of Entitlement.

### [Spirituality within the Curriculum](#)

Our experienced teachers are always looking for opportunities for spiritual reflection to be built in to the curriculum. Some of our subject content can be challenging, potentially controversial or deep and demanding in matter but we do not shy away from this as it provides another vehicle for spiritual growth. We may use resources from sources such as the class novels we are reading and published resources such as Topical Talk and Christian Aid to facilitate the children's

speaking and listening skills. This allows for respectful discussion and debate surround life's big questions and our responsibilities. As we say on our vision, ***to be courageous enough to stand up for what is right; and bold enough to evoke change in our world, just as Jesus did.***

Drawing on the language of **wows**, **ows** and **nows**, conversations around spirituality will be included in classroom teaching when appropriate from Reception to Year 6.

### Spirituality within the Ethos of the Daily Life of the School

In St Peter's we view spiritual growth as becoming more and more aware of one's natural, innate spirituality. These opportunities happen throughout each and every day as children deal with delight, disappointment and the chance to be present with themselves.

Throughout the daily life of the school, including lunch times and playtimes, pupils know that their references to **wows**, **ows** and **nows** will be heard and taken seriously. They will be encouraged to reflect on these experiences and be comfortable about talking about the **golden glue of spirituality**.

### Recording, Monitoring and Evaluation

The Governors review the policy according to our standard policy review schedule in partnership with Senior/ Middle Leaders and consider any views expressed by parents, children and staff in order to make any changes or recommendations. Recommendations are fed back to the full governing body and are then actioned as appropriate.

Governors ensure that this policy is fully implemented and that practice is consistent with the school's Christian vision, in line with the school's monitoring policy and schedule for governors.

### Roles and Responsibilities

Recognising there are opportunities for enhancing the spiritual well-being of learners in every aspect of our school life, every member of our staff team is committed to support this spiritual growth wherever appropriate.

The Head and Deputy are responsible for supporting and leading spiritual development in our school, including monitoring opportunities for spiritual growth in collective worship, the whole curriculum (including RE) and the general ethos of the school within daily life,

This role also includes:

- Ensuring personal knowledge and expertise are kept up-to-date by participating in CPD and shared good practice
- Providing and sourcing in-service training for staff as necessary

- Acquiring and organising appropriate resources, managing a budget when necessary
- Monitoring the opportunities for spiritual growth through regular observations and learning walks in both formal and informal contexts, discussions with colleagues and pupil voice
