What's Happening?

Breakfast CLUB

From November we are going to be running our 'Healthy Hearts' Breakfast Club Monday-Friday, 7:30am-8:45am.

At Breakfast club, the children will be offered Cereal or Toast for breakfast, along with a cup of juice & a selection of games & activities to keep them busy until School starts.

'Healthy Hearts' will have a 32 space limit to start.

AFTER-SCHOOL CLUB

We are also going to be running our After-school clubs Monday-Friday, every week.

Each slot will bring our truly Epic 'Move:Create:Play' ethos to the school, with a designated sports coach and site manager, both of which will work together with the children to create a truly magical place for children.

We believe our clubs should be a place children want to go, not where parents need them to go. The fact parents need them is just a bonus.

Camp Epic lates will have a 32 space limit to start.

The Backstory...

A long time ago, in a galaxy far far away, there was a soccer school in Grays...

We often had people's siblings or children who were not interested in football and this led to bringing in colouring in and lego. Eventually we ended up with bouncy castles and go karts and it wasn't really a soccer school anymore.

After years of running a successful holiday club we ended up running more camps. But being open only 12 weeks a year wasn't epic enough so we started wraparounds at primary schools, meaning we can bring the EPIC-ness, direct to your kids at their own school too! In total, we now run Camp Epic at 10 sites across Essex & continue to expand!

What is Camp Epic Lates?

CAMP EPIC LATES IS A COMBINATION OF YOUR TRADITIONAL AFTER SCHOOL CLUBS AND WRAPAROUND CARE WITH AN EPIC TWIST, WHERE THE CHILDREN STILL COME TO THE SAME OFSTED REGISTERED SAFE ENVIRONMENT, BUT INSTEAD OF JUST SITTING COLOURING THERE ARE STRUCTURED ACTIVITIES TO GO TO, WHETHER THAT IS AFTER SCHOOL FOOTBALL CLUB, OUR MASTERCHEF COOKING CLUB OR MAD SCIENTIST CLUBS.

How does it work?

Move. Create. Play

At Camp Epic, we want to create a place where children want to come, not need to come.

So we created Move. Create. Play. A simple philosophy where there are always 3 options at Camp

Move - Led by our Prosports Coach, there will be a range of sports and games for running around.

Create - Lead by our Camp Creators, these range from arts and crafts, cooking, growing club and anything else we can think of

Play - We also have a play area, which is set up for independent play, with things like colouring, Lego and other independent activities.
